

# The Red-Nosed Reindeer

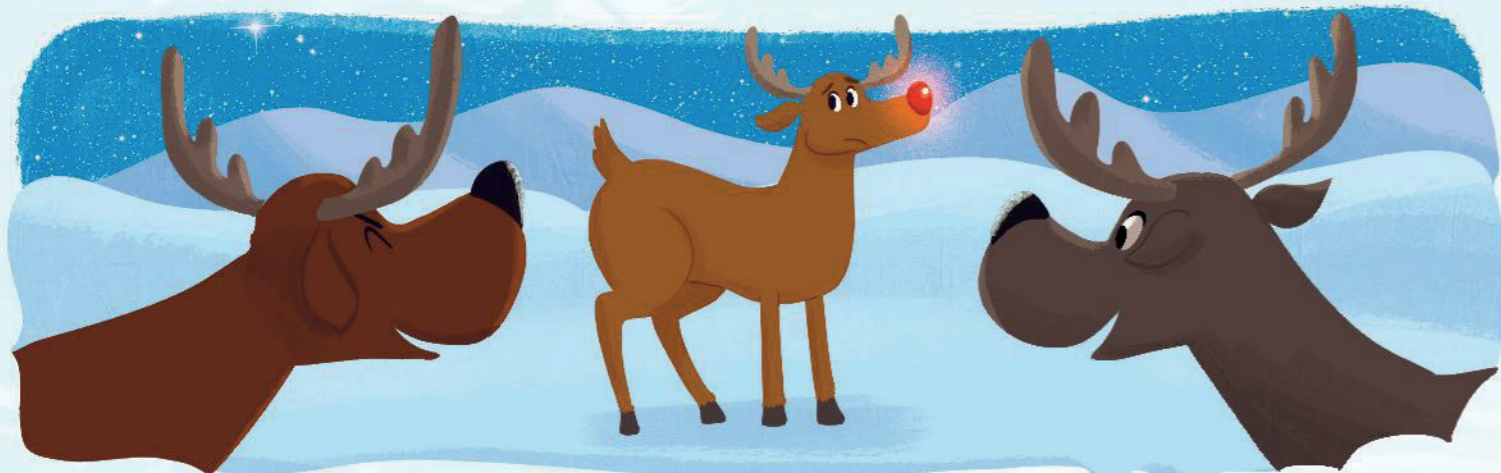

1 Listen to the story.

Rudolph lives at the North Pole with Santa Claus and his eight reindeer: Dasher, Dancer, Prancer, Vixen, Comet, Cupid, Donner and Blitzen.

Rudolph is sad. He has got no friends. The reindeer don't play with him.

They laugh at him because he has got a red shiny nose.

On Christmas Eve, Santa is worried. It's foggy and the reindeer can't pull the sleigh.

Then Santa Claus sees Rudolph with the red shiny nose! "Rudolph can guide my sleigh tonight!" he says. Rudolph is very happy. It's a very important job.

All the reindeer are happy now! With Rudolph's help, they can take the presents to the children.
